Acknowledgement of Country

The University of Melbourne acknowledges the Traditional Owners of the lands on which of our campuses are situated.

We pay our respects to their Elders both past and present and extend that respect to all Aboriginal and Torres Strait Islander Australians who have made a contribution to the life of the University community.

Top 5 strategies to tackle your degree

(according to Engineering and IT students)

1. Know where to find the information
2. Learn effective study strategies
3. Prepare for your Eng/IT career
4. Meet new people
5. Enjoy the experience

Tip #1

How do you find the information you're looking for?

The screenshot shows the my.unimelb website. At the top, there is a navigation bar with links for MAPS, LIBRARY, ANNOUNCEMENTS, and NOTICES. Below this, there are links for Student admin, Advising and mentoring, News and events, and Student services. The date is displayed as Today: 15 February 2024, Now 19°. A prominent yellow banner at the top center contains an information icon and the text "Yarra Trams Works", followed by a paragraph about transport disruptions and a link to the Yarra Trams services changes website. Below the banner, the user's name "Olivia" and "Student ID:" are visible. A central navigation area includes icons for EMAIL (with a 40 notification badge), CALENDAR, NOTICES, and LMS. Below these are buttons for STOP 1, TIMETABLE, STUDY PLAN, and ORIENTATION. A "My Day" calendar shows the current date as THURSDAY - 15 FEBRUARY 2024, with a message: "You have no events today. Have a great day!". Other sections include "Upcoming key dates" for Summer Term (02 Jan - 25 Feb) and "Library borrowing" with statistics for Borrowed (0), Holds (0), and Fines (\$0).

my.unimelb website

The screenshot shows a Canvas LMS dashboard. The browser address bar indicates the URL canvas.lms.unimelb.edu.au/?login_success=1. The dashboard title is "Dashboard" with a "What's new?" button. A vertical sidebar on the left contains navigation icons for Account, Dashboard, Subjects, Groups, Calendar, Inbox, History, LMS support, Communities, Library, Study skills, and Student support. The main content area displays a grid of course tiles. Each tile includes a representative image, a course title, and a course ID. The tiles shown are: "Academic English Tutorials - July 2... COM_COM_001790", "2021 CIS Students COM_COM_001018", "2023 CIS Students COM_COM_001718", "Academic Integrity Module COM_LIFE_000080", "Careers and Employability COMMUNITY COM_PDEV_000232", "Concepts in Information Systems (... ISYS90026_2023_SM2 2023 Semester 2)", "Consent Matters COM_COM_000179", "Digital Business Analysis (ISYS900... ISYS90049_2023_SM2 2023 Semester 2)", and "Introduction to Programming (CO... COMP90059_2023_SM2 2023 Semester 2)".

[Frequently asked questions](#)

Projects available across topics including:

- Growth Strategy
- Innovation (STEM)
- Talent and Culture

Grand Challenges is especially recommended for students who have previously participated in the [Melbourne Employability Accelerator](#).

MELBOURNE ORIENTATION

Explore our online platforms

EmployMe

Use EmployMe to find job market reports based on your study area, practice interviews, take career assessments and aptitude tests, and access a range of career learning resources.

Resume Reviewer: Smart Resume

Our Smart Resume tool uses artificial intelligence to provide real-time insights and feedback on your resume.

Jobs Board: Careers Online

Find graduate and part time work opportunities on Careers Online, exclusive to current University of Melbourne students.

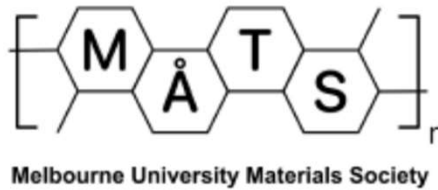

Careers and Employability LMS Community

Access free online learning modules to explore your career options, understand the current job market and prepare your job applications.

Tip #4

How do you meet new people at university?

MELBOURNE ORIENTATION

Tip #5

How do you make the most of your university experience?

People leadership

You will be able to lead and build relationships with others, motivate them to do their best, and make sure they feel supported.

Community engagement

You will be able to work collaboratively in a team, manage events and projects, and make a positive impact on the lives of others.

Sustainability advocacy

You will be able to apply your interests in social and environmental justice to develop ways in which you can contribute to a more sustainable future.

Innovation

You will be able to identify problems and think creatively to design new and unique solutions.
